

JOB OPPORTUNITY

Job Opportunity Bulletin: #06-007

Final Filing Date: Until Filled

Position:	Salary:	Location:
Senior Structural Engineer	\$6020-\$7313	Office of Statewide Health Planning & Development Facilities Development Division 700 Alameda Street, Suite 250 Los Angeles, CA 90012

General Statement:

Under the general direction of the Supervisor, Health Facilities Review, the Senior Structural Engineer reviews plans (drawings), specifications, calculations, and other supporting documents required for the construction of acute care hospitals, skilled nursing facilities, and other designated structures.

Duties:

- Perform structural reviews of plans, specifications, calculations and other supporting documents for the construction of acute care hospitals, skilled nursing facilities and other designated structures to ensure compliance with California Building Code (Part 2, Title 24, California Code of Regulations) and interpretation of regulations.
- Performs field reviews of the construction of health care facilities. Checks for compliance of construction with statutes and regulations.
- Consults with and advises architects, engineers, contractors, inspectors, public officials, enforcement officers, and others with reference to structural engineering requirements and problems.
- Communicate orally and in writing to facility project personnel regarding project review status (e.g. defects, approvals).
- Evaluates existing facilities to determine their adequacy to withstand applicable gravity, wind, and earthquake forces.

Desirable Qualifications:

- Knowledge and experience in structural design and construction methods.
- Knowledge and experience in interpreting requirements governing design and construction of health care facilities in California.
- Ability to handle code enforcement issues with architects, engineers, and health care facility owners.
- Ability to apply technical skills to formulate practical solutions in resolving structural plan review issues.
- Knowledge and experience in retrofit of existing structures.
- Good writing and oral communication skills.
- Excellent interpersonal skills.
- Ability to handle stressful or sensitive issues with tact and diplomacy.

Who May Apply:

Applications will be accepted from individuals currently in the class or who have list, transfer or reinstatement eligibility to the class. Appointment is subject to SROA/surplus policies. Only the most qualified individuals will be selected for an interview.
